

Geocaching

Treasure hunting in modern times, geocaching was born in the early 2000s. With its success, more and more hikers, tourists and day-trippers practice this leisure accessible to all.

In order to practice this activity, you will need:

- 📍 A GPS or smartphone with a free mobile geocaching application (ex : Geocaching® ) available on :

- 👕 An outfit adapted to the walk
- 🖋️ A pen to log (write your name and the date of your passage in the notebook found)
- 📦 Small items that you would like to put in the caches.
- 🧰 A survival kit (drink+ biscuits+ )

Les secrets du Lauragais

Geocaching

The rules of geocaching

So that this leisure activity can take place under good conditions, some rules must be respected:

Be sure to be as **discreet** as possible to preserve the magic of geocaching.

Respect nature, animals or people near caches.

Do not forget to **put the cache back** where you found it!

Never **spoil** a Geocacher on the verge of finding the desired location!

Having fun, discovering and **sharing** must be your only motivations!

Now it's your turn to play!

Do not throw on public highway

Open from Monday to Saturday from 14h to 19h
From July 1st to September 15th from 10h to 19h

Geocaching in 10 steps!

1

Take a smartphone with internet connection or a GPS ... Let's go!

2

Download a Geocaching mobile application and create a free account

3

Display the map and locate the closest caches or those around the location of your choice

8

Seek well : it can be in height, at the foot of a tree, in a wall ... You're almost there ... go ...

5

Now that you have chosen your goal, press  and activate the compass  at the top, on the right of the screen, to go to the cache.

4

There are unique caches or those which are belong to a circuit. Those in green are free but those in grey require a PREMIUM account.

7

Congratulations, you've found it!

8

Drop your item and leave a comment on the log book and / or on the application.

9

Put the cache back in the EXACT location where you found it, with all its elements!

10

All you have to do is go to the next cache!

Now that you know how to play Geocaching, it's time to escape to new playgrounds! We recommend you the circuit "[Les secrets du Lauragais](#)" to discover charming villages and landscapes or "[D'éclyse en éclyse](#)" along the Canal du Midi, by foot walk or by bike.

But there are many others to explore, in places sometimes unsuspected ... have a good quest!
